\*Days in blue are designated inclement weather make-up days. **We are OPEN for class on the first four designated inclement weather days.** These are extra days that we are banking for unexpected closures due to weather and/or state mandated closures due to the Pandemic. The last two inclement weather dates in May will be used if we have more than 4 closures. There are a total of six inclement weather days built into our calendar. Any closures beyond these (due to weather or the pandemic) will not be made up and tuition cannot be refunded. If we have less than 4 days of closure, these will be extra school days for our families. We want to thoughtfully balance offering the best value to our families while keeping our doors open as a nonprofit preschool. If you have additional questions about this, please reach out to the preschool Director.
